The National Tooling and Machining Association (NTMA) is happy to announce the Brock Babb Memorial Scholarship created by the NTMA in support of students advancing their education and pursuing careers in manufacturing. The scholarship will be awarded to the sons and daughters of employees of NTMA member companies.

This scholarship is named in honor and memory of Sergeant Brock A. Babb who gave his life defending our country and our freedom, the son of one of our long time members Terry Babb, Apex Tool & Manufacturing, Inc. in Evansville, Indiana.

Attached is a document outlining the purpose, eligibility requirements, and the selection process, as well as an application. The deadline to return an application is April 1st of the applicable year.
