

**APPRENTICESHIP  
PROGRAM**

**PITTSBURGH  
CHAPTER**

**Have a machinist  
apprentice ready to start  
their apprenticeship  
classroom training?**

**Have an employee  
who needs some  
entry-level machinist  
theory training?**

## **THE NTMA CAN HELP!**

**Intro to Math for Machinists:** Every Thursday  
January 30 to May 29 | 5:30PM to 7:30PM

**Intro to Blueprint Reading:** Every Thursday  
January 30 to May 29 | 7:30PM to 9:30PM

**Intro to Technology of Machine Tools:** Every Tuesday  
February 4 to June 3 | 5:30PM to 9:30PM

**Where:** Central Westmoreland CTC - New Stanton, PA

**Who:** Any apprentice or entry-level employee

Whether you're looking to fast track train your Year 1 apprentices or for standalone courses for your entry-level employees\* these courses may fit your needs!

\*Courses are open to those not formally enrolled in an apprenticeship program.

**Registration Deadline: January 27**
